ÆTLANTIS — Homeland of the ARYAN RACE!

The ARYAN EAGLE is proud to present, complete in this issue, a history-making article by Commander Michael L. Hansen. The result of decades of research, this article reveals, for the first time anywhere, the lost (suppressed!) true history of the Aryan Race and its origins and prehistoric development in ancient ÆTLANTIS.

It also tells of the FIRST Creation, that of *proto-Aryans* on the sunken Pacific continent called Mu or Lemuria.

In addition, it details the origin of the ancestors of today's Jews, a monstrous blood-sucking serpent race from the lost planet Lucifer!

This article will change for good the way you look at your Racial History. No longer will you fall for Jewish fables, Kosher-Christian lies, or "pagan" superstitions.

Read on and learn the proud history of the one and only truly HUMAN race on this planet:

The ARYAN RACE!!

ÆTLANTIS:

Homeland of the ARYAN RACE!

By COMMANDER MICHAEL L. HANSEN

The evidence for the existence of a pre-historic global Aryan civilization becomes more overwhelming day-by-day. How could nearly EVERY culture in the world have the SAME basic myths and "fables" of a worldwide deluge that destroyed Paradise and ended the "Golden Age"?

From Mexico and Peru to Sumeria, Greece and Egypt, the story is the same; that of a long-lost high civilization at the dawn of time.

Water erosion on the Great Sphinx in Egypt proves that is AT LEAST six to eight THOUSAND years old, far older than Egyptian civilization itself!

The city of Tiahuanaco, high in the Andes, was a SEAPORT when originally built -- no later than ten to twelve THOUSAND YEARS ago!

So, what is the TRUTH about the lost civilization of prehistory -- a Truth that has been and continues to be systematically SUPPRESSED by the culture destroyers?

First, the word "Atlantis" was originally spelled "Ætlantis" after the name of the God of the Aryans, "Æ" (pronounced "Ah - eh")! It's capital was "Æton," (the Biblical EDEN!) "Ælanis" originally meant "Land of Æ" and "Æton" meant "City of Æ". The word "Aryan" was originally spelled "Æryan," meaning "Son of Æ."

CITY IN THE SKY

The city of Æton was located on the summit of the highest mountain in Ætlantis, a mountain so high that its top was almost never seen from below, as it went higher than than the year-round layer of clouds. In Æton, the godlike leaders of the Ætlantean Race saw clouds stretching below them to the horizon. It was from this "City in the Sky" than the myth of "Heaven" and a "Heavenly Kingdom" evolved among later cultures. It was also this Racial memory which, much later, led to the building of the "Tower of Babel."

After the final sinking of Ætlantis into the ocean in about 10,500 B.C., the City of Æton became what today is called the Azores Island group.

THE PROTO-ARYANS

About 20,000 years before the Creation of the Aryan Race in Ætlantis (120K BC vs. 100K BC) a Proto-Aryan race was created on the Pacific continent known as Mu or Lemuria. This race was the most advanced that had existed up to that time, but it was an imperfect "trial run." The Proto-Aryans had light skin and light hair color, but were fairly short in stature (average about 5' 7" in height) and had wider, somewhat negroidal noses. They had abundant body hair.

Psychologically and spiritually, this race was also inferior in many respects to the later Aryan Ætlanteans. They practiced matriarchy and worshipped a female diety. They called their Pacific Civilization of Mu their "motherland" and were prisoners of a thousand and one superstitions and savage practices. With the sinking of Mu, this race developed into the "Uighurs" who created an Asian empire and the aboriginal "Jo-Mon" culture of pre-Oriental Japan. They built the fabulous maritime basalt city of Nan Madol off Ponape as well as the undersea city off Okinawa Island. They populated North and South America long before the Red Indians and created the stone heads of Easter Island. [For more information on the Proto-Aryans, See *THE LOST CONTINENT OF MU*, by Col. James Churchward ISBN 0-914732-19-6]

THE PYRAMID OF Æ

Returning to the subject of Ætlantis, on the reverse of any dollar bill, you can see a depiction of the Ætlantean "Pyramid of the All-Seeing Æ," which was constructed early in the history of Ætlantean civilization. The "Æ" or "Eye" (the two words, pronounced almost the same, eventually came to be synonymous.) was originally meant as a beneficial beacon, watching benevolently over the citizens of the land. Brilliant emerald green, the Æ or Eye gazed out serenely from the apex of the gigantic pyramid. Visible in every corner of the land, the emerald beacon was a constant source of spiritual comfort and Racial pride to the Ætlanteans.

As the great Æ or Eye was actually 360 separate holographic images projected simultaneously in all directions, it always seemed to be gazing directly at every observer, regardless of his location.

THE GOLDEN AGE

The early several thousand years of Ætlantean history were thus a true paradise and a true "Golden Age" of spiritual joy and pride. In their innocent love of life, and because of the year-round warmth of the Ætlantean climate, the citizens originally wore no clothes at all, and would gather together naked on holidays in front of the Great Pyramid of Æ to celebrate their joy and love of life. They sang the "Song of Æ":

"To the Æ in the sky, we will fly when we die, to the Æ in the sky we will fly!"

The volcanic soil of the land produced fruits and vegetables in great abundance, and hot and cold springs provided a constant source of fresh water.

The people of Ætlantis were gold-skinned (from daily sunbathing to absorb healthful ultra-violet rays) and had reddish or copper-

colored hair. They had green or blue eyes mostly. For the first few centuries after their creation, the Ætlantean (or Æryan) Race was so light-skinned as to be translucent. The outline of internal organs could be viewed THROUGH their almost clear, bluish skins.

For recreation, Ætlantis had a gigantic hippodrome (race-track for horses) that provided entertainment. There was no gambling involved, and money did not even exist as such.

The Ætlantean language had no consonants, consisting entirely of the seven sacred vowels. They considered vowels to be spiritual and consonants to represent the material. [The sacred "Hymm to Æ" consisting of the following: "Ah-eh, Ah-eh, O; Ah-eh, Ah-eh, O!" was used in the 1980's movie *CLOSE ENCOUNTERS OF THE THIRD KIND* as an "extraterrestrial" hymn!]

It was not until late in the history of Ætlantis that a written form of the language was introduced. This caused a great controversy and consternation at the time, with many people arguing that writing would lead a dystrophication or deterioration of memory. They would later be proved right. Because written Ætlantean appeared so late, little of their vast wisdom was put into the form of books.

However, as will be seen later, they did devise an amazingly clever and effective method for transmitting their scientific knowledge to future generations.

THE ÆTLANTEAN CALENDARS

The Ætlanteans had two separate calendars, a Solar (or male) calendar that consisted of eleven months, with each month having three weeks of eleven days each, and a Lunar (or female) calendar consisting of thirteen months of 28 days each, with each month having four weeks of seven days. The Solar calendar consisted of 363 days of the year, with the Winter and Summer Solstices, as the highest holidays, which were not counted. The Lunar calendar of 13 months of 28 days worked out to 364 days, with one day, day of the annual Lunar perigee, as an uncounted holiday.

In the later ages of Ætlantis the two calendars were combined into one, which became the basis of our calendar in use today.

The Ætlanteans worked for seven days each week following the Solar calendar, and each week had a four-day weekend. This caused high levels of both productivity and relaxation, and led to higher continuity in the labor process.

But they never had to work very hard, as electrical-powered robots did all the difficult work. Electricity was boundless due to the existence of underground, *Cont. on P. 3*

mechanical-shaped gravitronic generators, which used a simple mechanical process to convert gravitational force into unlimited amounts of electrical energy. These generators thus utilized no "fuel" as such and were completely non-polluting. Being underground as well, they were never seen or heard by the citizenry, and the energy generated thus did not endanger their health.

INVASION OF THE SNAKE PEOPLE

Early on in the history of Ætlanis, the Island Empire was invaded by Snake People from the Planet Lucifer. [ED. NOTE: The Planet Lucifer used to be the fifth planet from the Sun, orbiting between Mars and Jupiter.]

The Snake (Serpent) People were humanoids who had evolved from reptiles. They stood about five feet tall and had scaly greenish skin, horns and bat-like wings. [See drawing] They drew their life energy from drinking or sucking the blood of human beings.

At first the invaders won one victory after another over the Ætanteans and their vast empire. Tens of thousands of humans died as victims of the alien blood-suckers.

Finally, the Ætanteans developed an effective weapon against the invaders -- by using metal tubes wrapped in concentric layers of organic and non-organic material, they were able to drain the "Life Force" or bionic energy from the enemy. As this universal Life Force is also the force known as "gravity", shooting the invaders with this weapon not only killed them immediately but made them "immune" to the force of gravity as well. This meant that the reptilian corpses, immediately upon their death, would go shooting straight up into the sky at a velocity so tremendous that they would be turned to cinders in only a few seconds. [ED. NOTE: This "Bionic/gravitational" force was rediscovered in the 1930's by German scientist Dr. Wilhelm Reich. After coming to the United States after the war, the U.S. Federal government imprisoned him and ordered all his papers and devices to be destroyed. He was murdered in 1957 in the U.S. Federal Penitentiary at Leavenworth, shortly before he was due to be released. Because Reich never built any Bionic (he called them Orgone) accumulators/drainers on a large scale, he never realized the connection between the Life Force and Gravity, but that he eventually would was the U.S. government's motive in imprisoning and killing him. For more information, see the book **THE ORGONE ACCUMULATOR HANDBOOK** By James DeMeo, Ph.D. ISBN 0-9621855-0-7, Published by Natural Energy Works, Greensprings, P.O. Box 1148, Ashland, OR 97520 USA.]

THE LOST PLANET LUCIFER

It did not take long for the Ætanteans to destroy virtually all of the Serpent Race and declare final victory. To assure that there would be no more invasions, the Ætanteans turned their Life-Force/ Gravity weapon on the home planet of the Serpent Race, the Planet Lucifer, which drained the planet's gravity, causing it to explode into uncounted large chunks now known as "asteroids." It was this great victory that is celebrated in

A drawing of the "Chubacabra" or "goat-sucker" that has been seen many times in Puerto Rico and other South American locations. Is this the "Mother of all Jews?"

Ireland as "St. Patrick driving the Snakes out of Ireland." The disappearance of Planet Lucifer is recorded in the Old Testament book of Isaiah: "Oh, Lucifer, Son of the Morning, how thou art fallen from Heaven!"

The Planet Lucifer had been a bright green star, as bright as the Moon. Its destruction brought sorrow to the Ætanteans, even though its disappearance signalled the end of any future invasions of Earth.

The billions of chunks of Luciferian debris orbiting through space are also the origin of the Biblical reference to Satan: "My name is legion."

THE ENEMY UNDERGROUND

But the victory over the Serpents proved to be short-lived -- unbeknownst to the humans, a large colony of the Snakes had taken refuge in caverns under Ætlanis and other continents. [ED. NOTE: This was the origin of the universal legends of an underground "Hell" full of monstrous demons, etc.,] They would send raiding parties to the surface at regular intervals to procure fresh human blood, but this ran the risk of human discovery of their underground hideouts, so they developed a more subtle means for surviving. They would kidnap humans and take them underground for the purpose of breeding an intermediate mongrel race that could procure human blood less conspicuously. It is this mongrel human/serpent race that would later be known as "Jews."

The Jews thus inherited a craving for human (Aryan) blood from their reptilian forefathers. In fact, they loved it so much that they failed to deliver sufficient quantities to their

underground mentors to enable the latter to survive. Only a few of the Serpent Race appear to have survived over the ages, coming to the surface on occasion to procure whatever blood they might find. Reports of reptilian "goat-suckers" attacking humans and domestic animals are common in South America, where the beasts are known as "Chubacabras" (literally: "those who bite off heads.") [See drawing above].

Meanwhile, the Jews have committed HUNDREDS of REPORTED and DOCUMENTED cases of ritual murders of Aryans (usually children) over the ages, for the purpose of using their blood in their Passover and Purim meals. [See the book **BLOOD RITUAL** by Phillip de Vier, reviewed last issue.]

JEW-BASTARD RACE CORRUPTS ÆTLANTIS

This half-breed bastard [ED. NOTE: The word "bastard" was never meant to be obscene -- it means any individual of impure breed.] race of humans/serpents, as was noted above, betrayed their reptilian mentors. The Jews have always put their own racial interests before all else, and their interests are purely animal and material. The Jews have betrayed everyone so foolish as to give them the least bit of trust, and they always will.

Over the centuries and millenia, the Jew-bastards pursued a plan with single-minded, unswerving determination: to infiltrate the highest levels of Ætantean society, its governmental, cultural and religious institutions, for the sole purpose of corrupting and eventually destroying them. **Cont. on P. 4**

In particular, these culture-destroyers aimed their infiltration and subversion at the Brotherhood of \mathcal{A} , also known as the Watchers. These were the elite who cared for the Great Pyramid of All-Seeing \mathcal{A} and generally set the agenda for \mathcal{A} llantean society. They were a highly-trained and disciplined organization, whose members lived modestly and frugally, prizing honor and holiness and strength of character above all else. [ED. NOTE: They were very similar to the SS of Hitler's Third Reich in these respects].

But, over the centuries, the Jew-mongrels succeeded gradually in placing their agents in strategic positions, fostering corruption and subversion in place of honor and decency.

THE "EVIL" \mathcal{A}

Once they had achieved total control of the Holy Brotherhood, the Jew-Bastard Snakes proceeded to profane and defame \mathcal{A} , the God and Creator of the Aryan Race. One of the most effective ways they did this was by using the Pyramid of \mathcal{A} for evil, rather than good. Whereas before, the Pyramid of \mathcal{A} had been a symbol of righteousness and Racial pride, an eye watching over and protecting all \mathcal{A} llanteans, the Jew-Snakes turned it into its opposite. The people were forced to gather before the Pyramid. They were told that the God \mathcal{A} was angry with them for not working hard enough and for not paying enough taxes. With their technological knowledge, the Jew-Snakes caused lightning to strike the Pyramid repeatedly, symbolizing the God's wrath. The emerald green \mathcal{A} became purple and red and exuded evil!

[ED. NOTE: This is the true origin of many of our most ancient superstitions. The "Evil Eye" superstition is the most well-known, but the Pyramid of \mathcal{A} was also the source of the belief that walking under an open ladder was bad luck (an open ladder is the shape of the Pyramid of \mathcal{A} -- a bifurcated triangle). Also the Ace in a deck of cards comes from the same source, particularly the idea of the Ace of Spades being the "Death Card." Again, the letter "A" is the design of the Pyramid of \mathcal{A} .]

Over the ages, what was once a symbol of good thus became a symbol of the reverse, and many Satanic and other evil cults adopted the "Eye in the triangle" as their symbol of evil and Satanism. This is the reason the Masonic cult put the Pyramid of \mathcal{A} on the Great Seal of the United States, and 33° Mason Franklin D. Roosevelt had it depicted on the back of the one-dollar bill.

But the Great Pyramid of All-Seeing \mathcal{A} was built for good, not evil. The Jews and their evil stooges STOLE it and perverted it, as they pervert whatever they touch. One day its true meaning will again be known, and it will again be honored as the symbol of the One Supreme God, \mathcal{A} , Creator of the Aryan Race!

THE WATCHDEVILS

After poisoning the name of God \mathcal{A} in the minds of the \mathcal{A} llantean/ \mathcal{A} ryan people, the Jew-Snake infiltrators proceeded to replace him with a new "God" they called "YHVH." (Remember that the Jews believed that consonants, rather than vowels were sacred.) This is the "God" who became known under other

names to later cultures and civilizations. To the Sumerians, he was "Cthulhu." (pronounced "ka-tu-lu"). To the Egyptians, he was "Set-Typhon." The Greeks called him "Chronos" or "Chronus," and to the Romans he was "Saturn." [ED. NOTE: Thus was \mathcal{A} llantis remembered by the Romans and other ancients as the "Saturnian" continent.]

While the personality and characteristics of this Devil-"God" differed somewhat from culture to culture, certain qualities were fairly consistent. As the Greek name "Chronos" suggests, Saturn is primarily the Lord of TIME. Since most scientists have recently come to understand that time, as such, is an ILLUSION that exists only in the human mind, it is most appropriate that the Devil is proven to be, as Christ said in John 8:44, "a liar from the beginning."

[ED. NOTE: Saturn worship was popular down to the time of Jesus, when Church Fathers replaced "Saturnalia" on December 25 with "Christmas," even though, according to Biblical and other evidence, Christ could not possibly have been born on that date!]

To erase the memory of the Aryan God \mathcal{A} , the Jews changed the spelling of " \mathcal{A} llantis" to "Atlantis," among many other words.

The reign of the Jew-Devil "God" YHVH in \mathcal{A} llantis began with the division of the day into twelve hours (equal to two of today's hours). All citizens were issued electronic timepieces and were required to wear them on their wrists at all times. They were also required to wear clothing and public nudity was forbidden. The Jews, recognizing that the human (Aryan) body was created by \mathcal{A} , considered it filthy and demanded that it be covered up at all times.

All of these changes were at first accepted by the \mathcal{A} llanteans, so great was their respect for the Brotherhood of Watchers. (They did not understand that it had been placed under "new management")

After decades of sorrow and enslavement to the Jew-Snakes, the \mathcal{A} llanteans at last revolted against their Satanic masters. But, by this time, their Race had been greatly corrupted and many of their minds had been poisoned by the Jewish lies. The Watchers and the Pyramid of \mathcal{A} (now called the Pyramid of YHVH), had by this time, come to be known as "Watch-Devils," in place of "Watchers."

THE END OF \mathcal{A} TLANTIS

The great rebellion failed, but the triumph of the Jew Snakes was short-lived. The Earth reversed its magnetic polarity,

bringing about a shift of the Earth's crust. This caused the sudden end of an Ice Age, which thus raised the level of the world's oceans. [ED. NOTE: \mathcal{A} llantis had been almost the only place in the Northern Hemisphere unaffected by the Ice Age, as it was in the

middle of a salt-water ocean, surrounded by warm currents of deep-sea volcanic origin.] So, great \mathcal{A} llantis, the original homeland of the human (\mathcal{A} ryan) Race, was covered with leagues and leagues of sea water.

There were some survivors. The \mathcal{A} ryan survivors went to India, Sumeria and Egypt primarily, and founded new civilizations. The Jews went mostly to Meso-America, interbred with the savages that were found there and created the Satanic, cannibalistic "civilization" of the Toltecs, Mayas, pre-Incas, etc. A band of these Snakes also appeared in the North of Sumeria. Calling themselves "Akkadians," they did to Sumerian civilization what their forefathers had already done to \mathcal{A} llantis, infiltrating, corrupting and eventually enslaving the people. Their later civilization came to be called "Babylon," and was THE ancient metaphor of race-mixing and sexual perversion.

THE SECRET DOCTRINE

But, a small remnant of the Watchers, the original Priesthood of \mathcal{A} , also endured, and devised a system for preserving the ancient scientific knowledge of \mathcal{A} llantis, that it might be transmitted to future generations capable of grasping it.

After escaping from doomed \mathcal{A} llantis, these groups first made their way to Central Asia and found refuge in the still-existing proto-Aryan Uighur Empire. Also called Shamballah, its capitol, Agharti, [ED. NOTE: These names in Nordic mythology are very similar, *Valhalla* and *Asgard*!] was in what has since become the Gobi Desert of China. After that empire was destroyed in a nuclear war c. 7000 B.C., they migrated southward into India and later to Sumeria and Egypt.

Their system for transmitting the ancient knowledge of \mathcal{A} llantis to future \mathcal{A} ryans was two-fold: First, they would construct huge, cyclopean monuments embodying the most advanced and ancient principles of higher mathematics, geography and astronomy. The Great Pyramid of Giza is the prime example of this art. Second, these Watchers created a "pantheon" of "gods," whose varied personalities and characteristics would embody astronomical knowledge of the Sun, Moon, and planets of the Solar System.

Although the names of these "gods" vary from culture to culture, their personalities and personal qualities are startlingly similar.

To give a few examples: Earlier we mentioned the Jew/Satanic "god" YHVH/Chronos/Saturn/Typhon, etc. Whatever his name, to the ancients he was **Cont. on P. 5**

YHWEH"~ DEVIL-GOD of the JEWS

The Jews claim that they are the "Chosen People" of their God, whose name in Hebrew is spelled in his command, rescinded at the last Y.H.V.H., and is pronounced variously as moment, for Abraham to sacrifice his either "Yahweh" or "Jehovah." They son. He can also be arbitrary and claim, further, that this arrangement capricious, as when he displays gives them the right to be the "master preference for the sacrifice of Abel race" of this planet, the OWNERS of over that of his brother, which was the non-Jew "cattle," whom they call largely responsible for the death of the "Goyim."

Let us assume, for the sake of argument, that the Jews are telling the truth (for once in several thousand years!) about this "Chosen People" arrangement with their "God" Yahweh. Who, actually, is this "God" of the Jews? Is he, in fact, the "Almighty Father," the Creator of the Universe? Is he the "God" to whom Christ refers as HIS "Father."

Let's examine briefly the Jewish scriptures themselves for whatever information we can obtain concerning this "God" of the Jews. Let's see what can be determined regarding his character and inner nature.

The Jewish scriptures, or Old Testament, can be summarized as follows:

1. God creates humans on 6th day.
2. After 'resting' on the 7th day, God divides humans into two sexes.
3. God forbids humans from eating the fruit of the 'Tree of Knowledge'
4. "The Serpent" convinces Eve to eat the fruit, who then convinces Adam to do the same.
5. God punishes mankind by shortening life-spans and driving Adam and Eve out of the Garden.
6. God displays preference for the bloody sacrifice offered by Abel, causing Cain to kill his brother.
7. God drives Cain out of Eden, cursing him and his seed.
8. Cain goes a-wandering, takes a wife (?), and builds many cities. He and his descendants all become rich and powerful, despite God's "curse"!
9. The "Sons of God" mate with "Daughters of Man" producing monstrous progeny.
10. God decides to destroy all life with a flood, except for Noah's family and some animal species.
11. After the flood, humans build a huge tower, which God destroys.
12. God tells Abram to leave his home and go to a "promised land."
13. God commands Abraham to kill his son; Abraham prepares to obey the command; at last moment, God says: "Hey, I changed my mind!"
14. Moses leads the Jews out of Egypt, where they had been gainfully employed, wanders for 40 years in the wilderness, and delivers God's "Ten Commandments," none of which the Jews ever obeyed.
15. The remainder of the Jewish "Old Testament" consists of the "Israelites" (Jews) carrying out their God's commands to murder, rape and enslave their neighbors, creating a "Kingdom of Israel" in the process, which existed for only a few decades before being destroyed by the Assyrians and Babylonians.

So, this "God" of the Jews appears to be an entity possessing a character not unlike that of the Jews themselves. By forbidding the first humans from eating the fruit of the "Tree of Knowledge," he seeks to keep mankind in ignorance and darkness. He loves to "punish" a sinful mankind with shortened life-spans, a Great Flood

rejected entirely the Jews' "Old Testament" as "The BOOK OF LIES."

Scholars have found evidence linking this Jewish "God" with the "Devil-Gods" of earlier cultures. For instance, Helena P. Blavatsky, in Vol. II of *Isis Unveiled*, states the following:

"Strange and unfortunate choice! Out of all the sacred writings of all the branch nations, Christianity must choose for its guidance the national records and scriptures of a people perhaps the least spiritual of the human family -- the Semitic. A branch that has never been able to develop out of its numerous tongues a language capable of embodying ideas of a moral and intellectual world; whose form of expression and drift of thought could never soar higher than the purely sensual and terrestrial figures of speech; whose literature has left nothing original, nothing that was not borrowed from the Aryan thought; and whose science and philosophy are utterly wanting in those noble features which characterize the highly spiritual and metaphysical systems of the Indo-European (Arietic) races.

[In the] Pentateuch of Moses [one] cannot find a single proof that the ancient Jews believed either in a future life or an immortal spirit in man, or that Moses himself ever taught it.

"In the Assyrian Tablets' Palestine is called 'The Land of the Hittites,' and the Egyptian Papyrus, declaring the same thing, also make Seth, 'the pillar-god,' their tutelary deity. 'Seth, Set, Suteh or Satan,' was the god of the aboriginal nations of Syria. Plutarch makes him the same as [the Egyptian] Typhon. Hence he was god of Goshen and Palestine, the countries occupied by the Israelites.

"In the Old Testament *Jehovah* exhibits all the attributes of old Saturn... *Saturn* is *Bel-Moloch* and even *Hercules* and *Siva*. Both of the latter are Hatakala, or gods of the war, of the battle, or 'The Lord of Hosts.' *Jehovah* is called a man of war (Ex. xv. 3.). 'The Lord of Hosts is his name' (Is. li. 15), and David blesses him for teaching his hands to war and his fingers to fight (Ps. cxlv. 1). Saturn is also the Sun, and Movers says that

'Kronos Saturn was called by the Phoenicians Israel.' (p. 130). Philo says the same. (In Euseb., p. 44.)

El, the Sun-God of the Syrians, the Egyptians, and the Semites, is declared by Ptolemy to be no other than Set or Seth, and El is the primeval *Saturn-Israel*. *Siva* is an Ethiopian god, the same as the Chaldean *Baal-Bel*, thus he is also Saturn. Saturn, El, Seth and Kyun, or the biblical Chiun of Amos, are all one and the same deity, and may be all regarded in their worst aspect as *Typhon the Destroyer*.

"The Jews had worshipped *Baal* or *Moloch*, in their early days.

"Notwithstanding the numerous proofs that the Israelites worshipped a variety of gods, and even offered human sacrifices until a far later period than their Pagan neighbors, they have contrived to blind posterity in regard to the truth. They sacrificed human life as late as 1698BC. Antiochus Epiphanus found in 169BC in the Jewish temple, a man kept there to be sacrificed - Apion: [Josephus contra Apion, ii. 8.] and the Bible contains a number of such records. At a time when the Pagans had long abandoned the abominable practice, and had replaced the sacrificial man by the animal, *Jephthah* is represented sacrificing his own daughter to the Lord 'for a burnt offering.'

"As to the final and conclusive identification of the 'Lord God' of Israel with Moloch, we find a very suspicious evidence of the case in the last chapter of Leviticus, concerning things devoted not to be redeemed. A man shall devote unto the Lord of all that he hath, both of man and beast...None devoted, which shall be devoted of men, shall be redeemed, but shall surely be put to death...for it is the most holy unto the Lord.' (Lev. xxvii. 28, 29)

Let us now look at whether Christ considered Himself the Son of this Jewish Devil-God. Here is what He had to say on the subject:

"He that despiseth me despiseth Him that sent me." (Luke 10:16)

"He that hateth me, hateth my Father also." (John 15:23)

"YE NEITHER KNEW ME NOR MY FATHER. IF YE HAD KNOWN ME, YE WOULD HAVE KNOWN MY FATHER ALSO." (John 8:19, emphasis added)

"No man cometh unto the father but by me." (John 14:6)

"Whosoever...abideth not in the doctrine of Christ, HATH NOT GOD." (II John 9, emphasis added)

In the passages above, Christ CLEARLY seems to be saying that HIS "Father" is NOT the "God" of the Jews!

In characterizing the Jews, Christ says the following:

"YE [Jews] are of YOUR FATHER, the DEVIL, and the lusts of YOUR FATHER ye will do" (John 8:44, emphasis added)

"Ye SERPENTS, ye generation [race] of vipers, how will ye escape the DAMNATION of HELL?" (Matthew 23:33, emphasis added)

"I know the BLASPHEMY of those who CALL THEMSELVES JEWS...but ARE the SYNAGOGUE OF SATAN." (Revelation 2:9, emphasis added)

In considering all of this evidence, we reach the inescapable conclusions that A) The so-called "God" of the Jews is and has always been THE DEVIL, i.e., SATAN, LUCIFER, etc., a lower entity on the scale of creation; and B) That Jesus Christ never considered himself to be the "Son" of this malicious entity.

Jesus repeatedly rails against the Satanic "Traditions of the Elders" (Talmudic teachings) and damns the Jews and their Rabbis for their arrogance, hypocrisy and evil nature. Indeed, Christ's entire ministry constituted a WAR against the Jews and their DEVIL of a "God."

How odd it is then, in the light of all of these facts, that there could be any such thing as "Judæo-Christianity". Yet, it is a fact that the great majority of today's Christians believe that Christ was a Jew, that he died for our sins, and that the Jews are the "Chosen People" of the Almighty Most High God. They hold the murderous rantings of the Old Testament Devil-God in the same esteem as the simple, truthful sayings of Jesus Christ!!

Many "Christian" evangelists proudly stand in front of the ISRAELI FLAG while preaching the worship of this "Chosen People," the JEWS, who MURDERED CHRIST and were the ENEMIES of EVERYTHING for which He stood!

Christ himself foresaw all of this. He predicted that there would be "false prophets" and "wolves in sheep's clothing" who would pervert his teachings and would "deceive many." The first and most influential of these Anti-Christ's was the false, so-called 'Apostle,' Paul.

Adolf Hitler notes, in *Bolshevism from Moses to Lenin*:

"It may be a long time yet before Christianity recovers from Paul. Oh, what gullible souls we are! A Jew murders hundreds of Christians; suddenly he notices that the rest become even more zealous; the well-known light dawns on him; he pretends to be converted, throws himself into the great pose, and behold: even though he deviates in nearly all his doctrines from the other apostles, we listen devoutly to his sermons. The simple teachings of the Master, which the most childlike mind might comprehend, we must have 'explained' to us by a Hebrew!"

These Jewish "BIG LIES" about Christ and his actual teachings are the single greatest obstacle today in the path of awakening our Aryan people to the true nature of the Jews. All just and honest men, all who seek the TRUTH, regardless of religious preference, must work to expose the evil deceivers and "wolves in sheep's clothing" who preach the BIG LIE of so-called 'Judæo-Christianity' to keep our people ENSLAVED, spiritually as well as politically and economically!

"As far as Yahweh was concerned, death, not life, was the day. He reveled in it. It seems he continually challenged to come up with new ways to kill people and/or make them suffer. This was theater, and he had to be entertained in warped and gruesome ways. Would a kind, loving God announce 'And I will cause them to eat the flesh of their sons, and the flesh of their daughters, and they shall eat every one the flesh of their friend?' (Jer. 19:9) I don't believe any sane person could think of a reason for this to happen, much less enjoy watching it. Do you?"

Has Satan ever caused people to cannibalize each other? On the contrary, no. Has he shown himself to be fond of slaughter, cruelty and vengeance? Has he killed off or destroyed tens of thousands, if not hundreds of thousands of human beings in an extermination program? Or, was this the doing of God in the 'Great Flood'?

Sure, Satan is known to be tricky and mischievous, but he never ordered thousands of innocent women and children to be butchered, and then had those orders carried out. Is Satan described, anywhere in the Bible, as cursing and raving with anger at humans, threatening to send down (or, in his case, up) calamities and afflictions on the people? Or is this what we see from Yahweh? The number of people killed by Yahweh in the Bible and the number killed by Satan isn't even close. ONLY YAHWEH QUALIFIES AS A DEVIL OR DEMON." "To me, who believe the Bible & profess myself a Christian, a defence of the Wickedness of the Israelites in murdering so many thousands under pretence of a command from God is altogether Abominable & Blasphemous. Why did Christ come? Was it not to abolish the Jewish imposture? Was not Christ martyr'd because he taught that God loved all Men & was their father & forbad all contention for Worldly prosperity, in opposition to the Jewish scriptures, which were only an example of the possibility of Human beastliness in all its branches?" most always depicted as an elderly man, dressed in a hood and cape, either blind or cyclopean (one-eyed). He always carries a scythe and is the Western figure of "death," come to harvest souls. The scythe is meant as a reference to the RINGS around the PLANET SATURN. He is said to have "devoured his own children." This probably refers to the Planet Saturn having attracted into it some of its satellites, thus destroying them.

The "god" Jupiter was the "King of the Gods," just as the planet of that name is the largest planet. The name is a derivation of the Greek Zeus-Piter or "Father Zeus."

The "god" Mars (Ares to the Greeks) is always shown driving a war chariot pulled by two steeds, Diemos and Phobos (fear and panic.) Long before these tiny moons (only 5 and 10 miles in diameter) had been discovered, the satirical novelist Jonathan Swift, in his book *Gulliver's Travels*, detailed their exact sizes, speed and shapes of their orbits. Could he have found this information in some books of ancient myths? It is hard to see how else he could have come upon this knowledge!

The "goddess" Venus (Aphrodite to the Greeks, Isis to the Egyptians and Ishtar to the Chaldeans) is the "goddess" of love and fertility. She is nearly always depicted gazing into a mirror. I believe that this is meant to

PLATO ON THE CREATION

The account of Atlantis in Plato's dialogues, "Timias" and "Critias" have been passed down to us as the main documentary evidence for the existence of the Atlantean continent. While Plato's story does contain much valuable information, it contains many inaccuracies as well. Let us remember that Plato got the story from Solon, who was told the tale by Sanches, High Priest of the Temple of Sais in Egypt, so, the account of Plato is at least a third-hand story.

Furthermore, as proof that even great Greek philosophers occasionally tell wild and ludicrous tales, let us examine the following account of Creation by Plato:

"Human beings were originally created with the man and woman combined in one body. Each body had four arms and four legs. The bodies were round, and they rolled over and over, using the arms and legs to move them. By and by they began to treat the gods badly. They stopped their sacrifices and even threatened to roll up Mt. Olympus to attack and overthrow the gods.

One god said, "Let us kill them all. They are dangerous."

Another said, "No, I have a better idea. We will cut them in half. Then they will have only two arms and two legs; they won't be round. They won't be able to roll. Being multiplied by two, they will offer twice as many sacrifices, and what is most important, each half will be so busy looking for the other half that they will not have time to bother us."

The above account is cited on pp. 279-280 of *LOST CONTINENT OF MU* by Col. James Churchward. No citation is given as to where it may be found in the writing of Plato, however.

Fargo Newspaper (Finally!) Prints the Truth!

What a difference a few years makes! Back in 1990, I wrote a letter to this same periodical, saying much the same things as are said by the writer of this letter.

What followed was INCREDIBLE! For the next two to three weeks the Forum printed page after page of violent, insulting letters from readers calling me every name in the book (racist, bigot, White Supremacist, etc., being among the mildest!)

I have not heard of this guy's house being attacked by any Jew-Commie mobs either!

I think (and hope) that this shows that we are making progress. The White racial Viewpoint is still suppressed, but at least it is becoming widespread enough that it no longer inspires mass-hysteria! It can, apparently, at least in SOME areas of the country, be presented in a straight-forward, honest manner in the Jew-owned press. (And note that this guy doesn't leave out the kikes in his criticism, either!)

transmit the knowledge that the planet Venus rotates on its axis in a direction opposite from all other planets. (As a mirror-image is always an opposite or reverse image.)

The "god" Mercury (Hermes to the Greeks, Thoth to the Egyptians) is shown with winged boots and a winged helmet. He is the messenger of the gods, announcing before-hand the rising of the Sun (Sol/ Helios/Shamash). The Planet Mercury is the fastest moving planet. Only the Moon (Luna/Diana) moves more rapidly through our skies. Mercury, like the Moon, are often depicted as "two-faced," as both keep the same face toward the body they orbit. (This is now known to be not completely true of Mercury, but fairly close to the truth.)

These are only a few examples of ancient knowledge embodied in myths by the Elders of our race. It is obvious that they meant for us to attain levels of scientific understanding similar to what they themselves possessed.

The new Aryan Civilization if being born world-wide. The dark races are dying off rapidly from their own stupidity -- soon a NEW ATLANTIS and a NEW ARYAN RACE will rule this planet and will reach levels of culture and science unseen in untold thousands of years.

HAIL THE NEW ATLANTIS! HAIL NATIONAL SOCIALISM AND WHITE REVOLUTION!

'Cultural communists' push their diversity plan

I'm writing in regard to a front page article in The Forum (Feb. 9) titled "Bringing an end to racism".

Verennia Wright and Diane Wray-Williams should take a good look at their own prejudices instead of accusing others. The Moorhead Justice Circle appears to be another hypocritical group determined to gain more special privileges for minorities. For too many years a false picture has been painted, portraying minorities as victims and whites as villains.

Letters to The Forum

They cry "prejudice" and "discrimination" because a larger percentage of minorities are arrested, per capita, than whites. The truth is, minorities commit more than 10 times the crime, per capita, than do whites -- something our biased news media tries very hard to disguise. Racial hate crimes committed against white people are often not reported, or kept quiet, by the press. Are police expected to arrest people based on a quota system?

It's not our fault that minorities don't excel in school or don't earn as much as whites. We've lowered standards to accommodate minorities and given special consideration with affirmative action quotas.

Many of the minorities in our area are recent third world immigrants, struggling with English. These folks aren't going to earn as much money right away as others with college degrees.

The "white perspective" that Williams complains about is in reality a Jewish perspective. Our major newspapers, major television networks, the motion picture industry, the magazine industry, etc., are all controlled and dominated by Jews. Yet white people are constantly blamed for all that is wrong with our society. The real underdog in this country is the white American male, conveniently used as a politically correct scapegoat.

There is obviously a plan by the cultural communists, disguised as "cultural diversity," to dilute and destroy the European culture. They think our region is too "white," so more third world, minority refugees and immigrants are forced upon our area. Then the elitists can try to blame us for "prejudice," "racism" and "discrimination," the magic words that have succeeded in bringing special privileges to so many minorities.

The demands are never-ending and ever-growing in absurdity. Jesse Jackson and Johnnie "Cockroach," among others, are developing a plan for us to pay reparations to all blacks because many of their ancestors used to be slaves. Are we feeling guilty enough yet?
